

we put the url here , but first of  
all that we put an URL

It shows a list of your  
saved feeds with  
checkboxes.

You can check or uncheck  
feeds to choose which news  
to see. When you change the  
checkboxes, the news  
updates to show only the  
feeds you selected..

when user put the RSS  
URL and click the buutton  
will accorss with the news

You can type a new  
feed link and click a  
button to see news  
from that feed.

Then it shows the news  
with title, short  
description, date, and a  
picture if there is one.
